

Area Projects

1

Boston Avenue Extension from Main Street to Martin

- Improves traffic operations at the intersection of Ken Pratt Boulevard & Main Street
- Provides access to Dickens Farm Park
- Currently under construction and anticipated to open late 2016

2

1st Avenue & Emery Street Intersection Improvements

- Improves safety of intersection
- Benefits future connections to Dickens Farm Park and Boston Avenue
- Maintains pedestrian, bicycle, and vehicular access as an alternative to Main Street
- Improves traffic operations at the intersections of 2nd & Main and 1st & Martin
- Reduces traffic on Main Street

3

Future Emery Street Extension

- Provides access to future redevelopment area
- Makes connection to Boston Avenue
- Consistent with Longmont Bicycle Facilities Plan and the Parks, Recreation & Trails Master Plan

4

Future Boston Avenue BNSF Railroad Crossing

- Reduces congestion on 3rd Avenue and on Ken Pratt Boulevard
- Improves traffic operations at 3rd & Main
- New east/west connection
